pesticide residues etc.; and

(c) if so, what measures Government propose to take to ensure supply of non-adulterated milk and milk products to consumers?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (DR. C. SILVERA): (a) Cases of milk adulteration have been reported from certain States. Prosecutions have been launched in such cases. However, samples of milk seized from the supplier of Nestle company were declared as of standard quality.

(b) A study on food contaminants in milk and infant formulae had been conducted through the Indian Council of Medical Research, but it was withdrawn in 1994 due to deficiencies in the methodology adopted.

(c) Sale of milk or milk products containing any external substance except as permissible under the Prevention of Food Adulteration Rules 1955 is prohibited under the said Rules and is a punishable offence under the Prevention of Food Adulteration Act/Rules.

Food Health Authorities of the State/ Union Territories have been reportedly advised to check the quality of food articles including milk and milk products.

Upgradation of technology by National Small Industries Corporation Limited

579. SHRI K.M. KHAN: Will the Minister of INDUSTRY be pleased to state:

(a) whether National Small Industries Corporation Limited has offered opportunities to small entrepreneurs to upgrade their technology;

(b) if so, the details thereof with formalities required to participate in this activity;

(c) whether such technology upgradation has been organised in some foreign countries;

(d) whether requests in this regard have been received from several small scale industrial units so far;

(e) if so, the names of such units, State and Union Territory-wise, with criteria for their selection; and

(f) if so, the details thereof and if not, what steps are to be taken in this regard to call for participation of small scale industrial units of Andhra Pradesh?

THE MINISTER OF STATE IN THE MINISTRY OF INDUSTRY (SHRI M. ARUNACHALAM): (a) and (b) Yes, Sir. The National Small Industries Corporation Limited through its Prototype Development and Training Centres assists small scale enterprises to test the products and upgrade the same in conformity with the national and international specification. NSIC has also entered into a strategic alliance with Council of Scientific and Industrial Research and Asian and Pacific Centre for Transfer of Technology to upgrade the technology of the small scale units. It also helps small scale units to upgrade their technology by providing latest machines under their Hire Purchase and Leasing Schemes.

Normally when the request is received from the small units to upgrade the technology, a proforma is sent to them seeking the details regarding their present activity and their desire for diversification into their areas of interest to upgrade the technology.

(c) to (e) Yes, Sir. Delegations had been sent to Taiwan and Germany for facilitating face-to-face discussions of Indian enterprises with the enterprises in these countries. Negotiations are going on for setting up joint ventures and technology acquisitions. NSIC is facilitating enterprise to enterprise link up.

The list of participants from different states are at statement. (*See below*) The units are selected based on their technology requirements in specific areas.

(f) In order to give wider publicity in Andhra Pradesh, a Prototype Development and Training Centre has been set up in Electronics. The Centre will benefit local entrepreneurs in upgrading their technology by providing skilled manpower, developing and testing of electronic gadgets. The Centre is catering to the needs of small scale industries in Andhra Pradesh and is proposing to hold a seminar in Hyderabad for the benefit of the small entrepreneurs along with other organisations so that sensitisation of Andhra Pradesh small scale units can be carried out regarding the requirements of technology in specific areas. Once such details are obtained from small units, possibilities will be explored to organise visits to different countries to acquire the technologies.

Statement

List of participants who went to Taiwan

Sl. No.	Name of the Participant	State
1	Shri Sukhdev Raj, Company Represented M/s Victor Tools (P) Ltd., A-3, Focal Point, Bye-Pass G.T. Road, Jalandhar.	Punjab
2	Shri O.N. Agarwal, Smt. Manju Agarwal Company Represented Forging and Chemical Industries G.T. Road, Bye-Pass, Jalandhar.	Punjab
3	Shri Yash Paul, Company Represented Tool Imax, D-10, Focal Point, Jalandhar.	Punjab
4	Shri Ashok Gupta, Company Represented Venus Industrial Corporation, 424, Industrial Area, Ludhiana.	Punjab
5	Shri Subhash Chander, Company Represented Vikas Tools, O/S Industrial Area, Jalandhar.	Punjab
6	Shri Krishan Kumar Mangal, Company Represented Sigma Agriculture Machines, B-23, Industrial Focal Point, Ludhiana.	Punjab

आइसक्रीम के उत्पादन में बहुराष्ट्रीय कंपनियों द्वारा उल्लंघन का विपरीत प्रभाव

580. **श्रीमती सुषमा स्वराज:**
श्री राम जेठमलानी:

क्या उद्योग मंत्री यह बताने की कृपा करेंगे कि:

(क) क्या यह सच है कि देश में अनेक बड़ी और बहुराष्ट्रीय कंपनियां आइस-क्रीम का उत्पादन कर रही हैं;

(ख) यदि हां, तो उन कंपनियों के नाम क्या-क्या हैं तथा उनकी उत्पादन क्षमता कितनी-कितनी है;

(ग) क्या यह भी सच है कि इन कंपनियों द्वारा लाइसेंस प्राप्त करते समय किये गये समझौते के कतिपय निबंधनों और शर्तों का उल्लंघन किये जाने का पता चला है;

(घ) यदि हां, तो तत्संबंधी ब्यौरा क्या है;

(ङ) क्या यह भी सच है कि इन उल्लंघनों के कारण देश में लघु उद्योग के व्यापार पर विपरीत प्रभाव पड़ रहा है; और

(च) यदि नहीं, तो इस संबंध में सरकार की क्या प्रतिक्रिया है?

उद्योग मंत्रालय में राज्य मंत्री (श्री एम० अरुणाचलम):. (क) और (ख) खाद्य संसाधन उद्योग मंत्रालय में आईस क्रीम के उत्पादन में लगे बड़े उद्योग क्षेत्र से संबंधित निम्नलिखित चार कम्पनियों की सूचना दी है:—

1. मैसर्ज क्वालिटी फरोजन फूड्स, बम्बई

2. के०आई०सी (प्रा० क्वालिटी आईसक्रीम), नई दिल्ली

3. मैसर्ज वाडीलाल इन्डस्ट्रीज लिमिटेड, अहमदाबाद

4. मैसर्ज क्वालिटी आईस क्रीम प्रा० लि०, कलकत्ता।

खाद्य संसाधन उद्योग मंत्रालय ने सूचना दी है कि सरकार ने बड़े पैमाने के विनिर्माणकारी एककों द्वारा देश में आईस क्रीम के उत्पादन संबंधी प्रतिशत के विषय में कोई विशेष सर्वेक्षण नहीं किया था। लेकिन, यह अनुमान लगाया जाता है कि आईस क्रीम के 60 मिलियन लीटर कुल उत्पादन में से लगभग 30 मिलियन लीटर का उत्पादन संगठित क्षेत्र और शेष मात्रा का असंगठित क्षेत्र द्वारा उत्पादन किया जाता है।

(ग) से (च): उपर्युक्त एककों की आरक्षण तारीख से पूर्व बड़े पैमाने पर आईस क्रीम उत्पादन एककों के रूप में स्थापना की गई थी। उपर्युक्त 4 बड़े पैमाने के एककों में से निम्नलिखित दो एककों ने कार्य जारी रखने संबंधी लाईसेंस प्राप्त किया है:—

1. मैसर्ज के०आई०सी० (प्रो० क्वालिटी आईसक्रीम), नई दिल्ली

2. मैसर्ज क्वालिटी आईस क्रीम प्रा० लि०, कलकत्ता।

मैसर्ज क्वालिटी फरोजन फूड्स, बम्बई और मैसर्ज वाडीलाल इन्डस्ट्रीज लिमिटेड, अहमदाबाद ने व्यवसाय जारी रखने संबंधी लाईसेंस के लिये आवेदन किया है और उनकी उत्पादन संबंधी क्षमताओं का निर्धारण सरकार द्वारा जारी किये गये दिशानिर्देशों के अनुसार होगा।

खाद्य संसाधन उद्योग मंत्रालय ने बड़े उद्योग क्षेत्र में आईस क्रीम उत्पादन करने वाले एककों के बारे में विस्तृत जांच-पड़ताल करने के लिये एक कार्यदल का गठन किया था। कथित कार्यदल को आरम्भिक
